

Business Administration

Suggested Course Sequence Sheet (2023-2024)

This is a sample schedule of sequencing for the Business Administration Major. There is a bit of flexibility in class placement in your first 2 years as you navigate through the University's Common and Exploratory Curriculum, and Business Core. Watch years 3 and 4 closely if you are pursuing an emphasis. These elective courses are offered just once a year and often build upon each other.
